We, who have given our names and addresses below, and who have ticked the box titled 'Gift Aid?', want CBM to claim Gift Aid on the donations that we have given. To qualify for this, we understand that each of us must pay an amount of UK Income Tax or Capital Gains Tax in the current tax year at least equal to the tax that CBM reclaims on our donation.

CBM reaches out to 20 million people around the world each year who face living in poverty with a disability. From as little as 65p you can protect someone against the painfully blinding River Blindness; or for £20 you can pay for someone to have a life-changing cataract operation - enabling their eyesight to be restored. Every little that you can give, is worth so much.
