

0:03

climate change has caused four years of

0:06

back-to-back droughts in southern

0:07

madagascar

0:11

over a million people are facing acute

0:13

hunger and malnutrition

0:18

people with disabilities are among those

0:20

hardest hit by this climate crisis

0:30

[Music]

0:35

that they were evil

0:37

um

0:39

on the

0:40

livestock means

0:47

[Music]

1:10

people like mosa are paying a

1:12

devastating price for a climate crisis

1:14

they did nothing to create

1:19

people with disabilities must be

1:21

meaningfully included in responses to

1:23

the climate crisis

1:26

cbm global disability inclusion
